The receipts for the year were £2138 19s. 7d. To this sum is added £204 19s. 5d., brought forward from the previous year, making the total £2343 19s. 0d. The expenditure amounted to £1918 17s. 5d. The sum of £200 was transferred to the Extension Fund out of the proceeds received from the Hospital Carnival, and the Committee's thanks are due to Mr. Hodgson and Mr. H. H. Hunt, the Secretaries to the Carnival Committee for their efforts in this direction, which realised the sum of £431 11s. 5d. The balance in favour of the account to be carried forward is £225 1s. 7d.

The Committee have had to incur heavy expenditure in connection with the renewals and repairs to the hot water apparatus, and also owing to damage by the gale to the buildings and in view of this, a donation of £50 from Lieut.-Colonel A. C. Nicholson was most gratefully received.

The Committee express their sincere thanks to the Subscribers and all donors of gifts, in kind and money; to the Ladies' Committee, and Miss Belcher its Secretary, for its very valuable services, particularly in organising and holding an "Egg and Pound Day"; to the members of the Linen League, who made and gave 176 useful articles; to the Chippenham Operatic and Dramatic Society for £102 14s 7d. (which was received too late to be included in this year's accounts), to Mr. Basil Hankey who gave the proceeds of the sale of his honey, and to the members of the Hospital Carnival Committee.

The Bath Friendly Societies' Scheme in connection with their Collections for the Bath Royal United Hospital and Chippenham Cottage Hospital is working well. The Chippenham Cottage Hospital has received during the year £214 2s. 11d. as its proportion of the Collections.

The Committee of Management has adopted the Friendly Societies' Box Collection Scheme whereby regular contributors of not less than 3d. per week will receive free treatment, subject to the conditions laid down under the Scheme.

During this year the Committee has with great regret lost the services of two most efficient Officers in Mr. E. M. Awdry as Secretary, and Mr. Marshall as Treasurer. The Committee wish to put on record their very great appreciation of all that these gentlemen have done during so many years past towards the general efficiency of the Hospital. They are glad to be able to report that they have secured the services of Mr. Coventry and Mr. Harraway to fill the vacant posts.

The Committee wish to thank the Clergy and others for the Church Collections and gifts of Fruit, Flowers, and Vegetables, &c., from the Harvest Festivals; the Proprietors of Hotels, Clubs and Employees at Factories, and those who have had collecting boxes; to the Editor of the Wiltshire Gazette for publishing the Weekly Returns, free of charge; to Mrs. Garnett for kindly supplying the Daily Mail; to the Editor of the Daily Telegraph for supplying that newspaper free of charge; and to Members of the Wiltshire Constabulary Amateur Athletic Club for its handsome donation of £21; and to the gentlemen who arranged the Chippenham League Football Matches for the Hospital Cup, which benefited the Funds to the extent of £27.

The Committee again express their grateful thanks to the Honorary Consulting Staff, the Honorary Medical and Dental Staffs, who have given so much of their time and skill most willingly to the work of the Hospital. Also to Mr. A. I. Post for his services as Honorary Auditor.

An important change in the Staff had to be made in consequence of the resignation of Miss Godwin as Matron, her successor Miss Jones came with excellent credentials, and during the nine months she has held the position she has done so with conspicuous success. Several minor changes in management have been put into practice, which have added to the comfort and welfare of the patients.

During the past year a further Appeal for funds for the extension of the Hospital has been made, and a sum of £255 has been promised or given under that Appeal, bringing the total promised or given towards the Extension Fund to date to £1138 16s. 7d. Details will be published later.

In memory of the late Capt. J. E. Spicer, a generous contributor to our funds, the Lady Margaret Spicer has given a Sun-Ray apparatus to the Hospital, and the Committee wish to record their grateful thanks for her kindly thought. This apparatus will be of great benefit to the patients.
